Have Your Say!

Factory Road Shared Path

Council is inviting the community to share their feedback on the proposed design concept for a shared path on Factory Road, Regentville.

Visit yoursaypenrith.com.au/factoryroad

Council Briefs

- Council is inviting community feedback on the proposed design concept for a new shared path on Factory Road, Regentville. A shared path will significantly improve Factory Road for pedestrians and cyclists by providing a safe and accessible connection to the Nepean River.

It will also help to reduce traffic congestion by encouraging residents to leave their cars at home, support residents to enjoy active lifestyles, and boost overall liveability for the community.

Your feedback is an important part of the planning process to help shape the design and support us to seek the grant funding needed to deliver this critical project.

The community can share their feedback until 11.59pm on Sunday, 3 December 2023.

Visit yoursaypenrith.com.au/factoryroad

- Penrith's City Park continues to take shape with the recent installation of new water features including a circular water fountain, cascading pools with connecting stream, and fog fountains, which will help to transform the park into a cool and refreshing space in the City Centre.

The first section of turf for the central lawn has also been laid and new light poles have been installed across the park. Once complete, City Park will feature a central lawn, gardens including a 78-metre sunken rain garden, trees, water features, pergolas, amenities building with green roof, seating, and public artwork.

- Council has completed upgrades to four playspaces across the Local Government Area, including:

- Explorers Way Reserve, St Clair
- Glengarry Drive Reserve, Glenmore Park
- Goldmark Crescent Reserve, Cranebrook
- Ridgeview Crescent Reserve, Erskine Park

The upgrades mark a significant milestone as part of Council's commitment to upgrade 40 playspaces over a five-year period between 2019-2024, with 30 playspaces now renewed across the LGA.

Construction is also underway to upgrade playspaces in Illawong Avenue Reserve, Kingswood Park, and Wilson Park, Llandilo, which will be completed by the end of the year.

You can find your nearest local playspace at: penrith.city/playspaces

- David Currie Playspace in St Clair has a new amenities building! Designed with accessibility as a priority, the amenities building will help to make visiting the playspace a great experience for everyone in the community.

The amenities building features a unisex family change area, unisex ambulant toilet, MLAK-fitted accessible toilet and MLAK-fitted adult change facility.

This project was funded by Council (\$200,000) and the Australian Government through the LRCI Program (\$200,000).

The completion of the amenities building is part of the David Currie Playspace upgrade, a project identified through the Sport and Recreation Strategy which is a 15-year road map for the future provision of sport, play, recreation and open space across our City.
