COUNCIL BRIEFS

- Illegal dumping is never the solution when you're unsure of how to dispose of waste. Ensure your large waste items such as garbage bags of rubbish, broken furniture and problem waste are disposed of correctly. Council offers many valuable services to help you manage your household waste that you can't dispose of in your three bins. When people illegally dump, they're causing harm to human health, contaminating the environment, attracting vermin, increasing the risk of fires and fumes, and obstructing footpaths. Illegal dumping is never the solution.

For more information on illegal dumping and how to responsibly dispose of excess waste, visit penrith.city/illegaldumping

- We're giving away loads of single-use plastic reducing goodies to help our residents on their journey to reduce single-use plastics in their everyday lives. All you have to do is take a photo showing how you are choosing to reduce single-use plastic in your day-to-day this July, include a caption explaining your plastic free pledge, and include the hashtag #plasticfreepenrith. We're accepting entries in reply to our Plastic Free July Facebook posts and as Instagram posts posted on public accounts. Terms and conditions apply.
