COUNCIL BRIEFS

- Council understands people in our community are doing it tough in lockdown. If you, or anyone you know in a suburb of concern needs support with food, Council's Hamper Hub can assist.

Our 'Drive and Collect' Hamper Hub in North St Marys opened on Thursday, 2 September 2021 as part of Council's COVID-19 response strategy. It provides emergency food hampers for families and individuals who are struggling to access groceries.

This service is being coordinated by Council and delivered in partnership with FoodBank, Westcare and Community Junction, with support from volunteer group Turbans 4 Australia. The friendly staff from Council's Ripples team are operating the hub every Tuesday to Thursday.

Bookings are essential and can be made via 0406 528 331. For those unable to leave home, staff can help with other support options.

- Penrith City Council has developed a new online interactive map to showcase the ongoing revitalisation of the Nepean River, and help residents and visitors discover all the things to see and do there.

Details about major projects being delivered on both sides of the Nepean River are now easier than ever to find with the map outlining their location, status and where to find more information about the projects so residents can keep up to date.

The map will also help visitors plan a successful trip to the Nepean River by providing details and locations of public and accessible toilets, the best places to park, along with picnic spots, playgrounds and where to grab the best view or photo.

View and use the interactive map at: penrith.city/nepeanriver

- Lawson Street in the CBD is temporarily closed to through traffic until Friday, 1 October 2021 as part of the Soper Place Revitalisation. These works are taking place in line with the latest Public Health Order.

Essential business traffic can still access the rear entrance of the Henry Lawson Centre from 7am–9pm Monday to Friday and 8.30am–3.30pm on Saturday, but only via Henry Street.

Outside of these hours Lawson Street will be completely closed. Customer parking in the Henry Lawson Centre is not affected, with access as normal from Henry Street.

Soper Place car parking availability remains unchanged, but can only be accessed via Woodriff Street North.
