COUNCIL BRIEFS

- Nominations for Penrith City Council's 2021 Local Celebration Awards are now open so start thinking about the people you know in our community who are deserving of recognition and thanks. We're calling for nominations for the Mayor's Local Heroes Award, this award recognises the person or group of people who have made a significant contribution to Penrith and are involved in activities that help our community.

The recipient needs to be a Penrith resident, and there's no age limit. So what are you waiting for? Find out more about the award program and how to nominate at penrith.city/local-celebration-awards

- Safely pack your unwanted, out-of-date and unused household chemicals into the boot of your car or trailer and bring them down to Jamison Park for the Chemical CleanOut this weekend – Saturday, 6 March 2021 and Sunday, 7 March 2021 between 9am and 3pm. Ensure your chemicals are labelled clearly to assist our friendly staff on the day in ensuring the right waste goes to the right place.

Only household quantities of chemicals 20L or 20kg will be accepted and up to 100L in 20L containers of paint. Residents are requested to remain in their vehicles when attending the CleanOut weekend to ensure a safe distance is maintained at all times. For more information, visit penrith.city/events

- Bright, eye-catching wraps decorating four of Penrith City Council's waste trucks are reminding residents to be vigilant about water safety. Ripples Leisure Centre has amplified its messaging around general water safety by revealing colourful waste truck signage showing images of children in a pool and the words 'Become a Water Safe Hero'.

These were designed to promote the water safety message through Ripples' Learn to Swim Program, which boosts confidence in and around water. It is a reminder that swimming is for everyone and we all play a part in keeping the community safe. Visit ripplesnsw.com.au/learn-to-swim and penrith.city/pools to find out more.

PUBLIC NOTICE

Tench Avenue, Jamisontown – Proposed the implementation of signs and line marking changes

As a result of community concerns and traffic queuing, Council is proposing four treatments to improve traffic flow and the functionality of the existing boat ramp at Tench Ave, Jamisontown as follows:

Treatment 1:

Direct vehicles with boat trailers from the west, to the western parking area for vehicles with boat trailers to increase the queuing capacity from 30 metres currently, to 180 metres.

Treatment 2:

Install 'No Left Turn for Vehicles with Boat Trailers', and 'No Right Turn for Vehicles with Boat Trailers' on Tench Avenue (western and eastern legs of the roundabout) and 'No Entry for Vehicles with Boat Trailers' at the northern leg of the roundabout.

Treatment 3:

Change the One-Way entry (road entry between the western car park and the eastern car park) to two-way traffic and provide a pavement texture to allow vehicles to access/egress from the car parks to Tench Avenue.

Treatment 4:

Change the current 'No Stopping' signage to full time 'No Stopping' signage north east of the roundabout in Tench Avenue to improve safety and eliminate trip hazards.

The abovementioned treatments will improve motorist safety when entering and exiting the car park,

improve sight distance and manage the priorities along the nominated sections.

You are invited to make a submission and provide comments to Council regarding the abovementioned proposal. Submissions must be made in writing and are to be received by Council no later than Monday, 12 April 2021.

Written submissions can be submitted by:

- **Email:** council@penrith.city and address the email to Mr Anthony Baradhy
