PENRITH

COUNCIL BRIEFS

- Did you know there are a few ways to access your COVID-19 vaccination proof? If you need support, try one of these options. Each person's digital certificate can be downloaded online for free once they have are fully vaccinated, meaning they have received two doses of the COVID-19 vaccine.

Visit servicesaustralia.gov.au/covid19 and then scroll down and click on the 'COVID-19 vaccinations' information.

If you are unable to get your proof online, your vaccination provider can print out your immunisation history statement for you. This also serves as a form of proof. Alternatively, you can request a printed copy of your certificate by calling the Australian Immunisation Register, open Monday to Friday from 8am–5pm, on 1800 653 809.

- The revitalisation of Penrith's City Centre is one step closer with demolition work at the City Park site set to begin this month. To keep traffic and pedestrians safe, temporary fencing, also known as hoarding, is being installed around the site this month.

This hoarding is the first of its kind for Penrith's City Centre and follows the adoption of Council's Hoarding Policy last year. The policy ensures temporary structures around construction sites are safe, have limited impacts on people using the city centre and are visually appealing to improve amenity and experience for our community.

Council has commissioned an original artwork by local artist Christine Huynh to feature on the hoarding and bring the City Park project to life. Find out more about the artwork and the artist at penrith.city/citypark

- Since adopting the green-lidded Food Organics and Garden Organics (FOGO) bin over two years ago, Penrith's rural communities have diverted 5,413,054kg from landfill, which is the equivalent of 722 FOGO truck loads!

By diverting FOGO organic waste such as food scraps and garden vegetation from landfill, you're minimising negative impacts on the environment and playing an important part in giving back. All that organic waste gets turned into compost which is used within the Penrith community — which is a much better use for it than going back into landfill.

Find out more at penrith.city/3bins
